## Gentry Chair

> **Description**

The Gentry Chair is part of an upholstery series that is exemplified by a continuous exposed wood perimeter and splayed legs, a loose seat cushion, and a padded upholstered interior. Inspired by a small antique sofa, its flared arms are typical of late Sheraton sofas while its form is reminiscent of early 20th Century Danish designs. Settees and window seats of these eras had subtle and refined proportions which are reflected in the styling on the Gentry series. The sofa, loveseat, and chair are available Made to Measure from 28 to 120 inch lengths. The Made to Measure ottoman is available from 18 to 60 inches in length and depth. Oxford is the standard finish. Optional finishes available, Dark Walnut finish shown. Spring-Down seat cushions standard in fabric. Leatherluxe seat cushion standard when ordered in leather. Two 22-inch white goose feather throw pillows standard when ordered in fabric.
